The papers referred to in the above are forwarded to the Assistant Secretary with the Diwan as desired by him.

In order to submit proposals as directed by the Diwan for filling up the place of Manager of the Pathasala established by Govt at the Bottarade Matt at Hole Narsipur out of the Cash Saadik of that Matt which has been withheld by Govt, it was necessary to know whether the post was vacant, or was about to fall vacant. Hence my D.O. to the Diwan dated the 22nd instant, which is in the file. His reply, when received, will show the actual state of things, and it may then

then be considered whether a new Manager for the Cutcherry is necessary.

Another feature of this case presents itself to me, and I beg to advance it with deference. The Peons of the Shanbhogs of the Cottaradi Matt, who are on inimical terms with the Matt, and I am doubtful whether it would be considered desirable to appoint him or his brother to be Manager of the Institution in question. In the case of the repairs which are being executed to the Matt building at Hole-Narsipur when the Exec. Engr. of Hassan gave the Contract to the Agent of the Cottaradi Matt, peons came from the opposite party, and the Engineer was pleased to direct that

neither of the contending parties should have any hand in the execution of the work. The contract which had been actually given was accordingly cancelled

Thereupon the Dy Coll^r of Nassan was requested to state if it was a fact that he intended to remove the present Vicharanai dar Subramanyathar as he holds another post as Sumastà in the Munsiff's Court at Kolarpipur.

is removed from the
Vicharanedar's place,
the vacancy should
not be filled up

whether there ~~was~~ were any
well-founded complaints

"The Dy Com^r had a talk with me about this man and told me that he had made up his mind to give it to the petitioner. The latter happened to be present I myself don't see any objection to place him in a position to look after the institution which is kept up by Govt though funds come from

from the matt. It is
undesirable that a
man holding another
Govt appointment
should be entrusted
with this duty. This
may be intimated
demi officially to the
Dy Comr in continuation
of the letter sent to
him already.

5 cbs per a bove
